SUMMARY

Stott Design provides small to medium size business owners with complete web design, development, and web hosting services. We work with open source solutions, Wordpress and Drupal, to provide complete content management systems (CMS) and e-commerce solutions. Available for Web maintenance contracts and consultation in related areas.

EXPERIENCE

2000 – present **Stott Design, Boise ID**

Web design and development, print design, and database design. As an innovative and self-motivated entrepreneur, I'm open-minded, flexible, and pay attention to detail. I possess excellent troubleshooting and analytical skills, and have the ability to multi-task. No project is too large or small.

Because a resume cannot depict my talents, please view my portfolio at www.stottdesign.com. Some of my clients include:

Client	Responsibility
Cascade Outfitters	MS Access DB Development, DBA (SQL Server)
M2M Comm, Green Valley Turf,	CMS Web
Idaho Vet Hospital	
IO/BIO, BodyVerde, Museware	Shopping Cart/CMS
NBMB Law Firm	Web Development
Clearspan Carpentry	Web Design & Development
Sleight Realty	Application Development
Cornwell Creative	Web Development
Northwest River Company	Application Development

1986 – present **Self Employed**

I've had the opportunity to take on a variety of exciting and rewarding opportunities including:

Securities Trader	October 1998 – Present Trade stocks and options for my personal portfolio. Specialize in shorting stocks that are overvalued. Have averaged 35% annual return for the past five of six years. Created an application (Access/VBA) to keep trading records, produce detailed reports and provide an automated annual Schedule D tax form for day traders.
Professional Athlete	June 1986 – October 1999 Competed professionally as a competitive runner in road races ranging from 5K to the marathon. Developed annual training and racing schedules for myself as well as others who wanted to improve their running times. Conducted clinics on stretching, nutrition and methods to improve self-esteem through physical exercise. Provided product direction for Nike, Reebok, and Mizuno. Competed in the 1988 Olympics in Track & Field and was an alternate for the 1996 Olympic team.
Graphic Design	February 1992 – February 1996 Produced four-color catalogs, ads, product packaging and line-art. Created film-ready electronic files for output. Retouched and color corrected electronic photos. Conducted photo shoots, worked with illustrators, contracted printing bids and attended press checks. Worked with all the major Macintosh design software, and Windows software pertinent to bookkeeping and billing. Solved hardware and software problems. Clients included Mizuno USA, Patrick USA, Hoy's Sports and Engineered Environments.
1991 – 1995 Mizuno USA, San Francisco CA	
Graphic Design	February 1991 – December 1995 Approached management about how they could save costs by bringing their marketing production in-house. Saved the US division the world's largest sporting goods company 40% in marketing production costs.

Mizuno USA (con't)

- Defined and acquired all hardware and software pertinent for an electronic graphic design department. Developed a purchase plan and installed all equipment and software (Macintosh platform) on time and within budget. Maintained all hardware and software. Installed upgrades when necessary.
- Produced four-color ads, catalogs, brochures, product packaging, presentation slides, and black/white line-art for five company divisions. Collaborated with marketing managers for project outlines. Produced film-ready electronic files for output. Color corrected and retouched electronic photos when necessary. Contracted printing bids, attended press checks and advised in photo shoots.
